## January 2016

### Charge Conference Update

We are pleased to share with you some notes taken by our Roanoke District Superintendent, Rev. Kathleen Overby Webster, during Charge Conference. There was a great amount of energy and good ideas shared at the conference and a faith that Woodlawn United Methodist Church is moving in the right direction. Let us allow these words to speak to us of renewal and to help us form church goals for 2016 and beyond.

## From Our Pastor

I want to thank the people of our wonderful church for supporting the move to our new church office. I also want to thank you for being patient during this transition. This has been a lengthy process, but I am grateful that the dream is now almost a reality. Woodlawn United Methodist church will soon have a more visible presence in our community, not only from the new office location itself, but from the signage that will accompany the new office.

Moving the church office from the Asbury House to the church owned property on Brambleton Avenue, makes me think of an encounter the disciples had with Jesus.

The disciples are out fishing. They have been at it all night and have caught nothing. Jesus stands on the shore and yells out to them, “Children, you don’t have fish do you?” He knew they had none. So Jesus continues, “Cast your nets on the right-hand side of the boat and you will find fish.” Really, can that small amount of change make such a big difference? All we have to do is move thirty feet to the other side of the boat?

The disciples decide to do it. They cast their nets off the other side of the boat, they change direction, if only slightly, and they haul in a “great number of fish.”

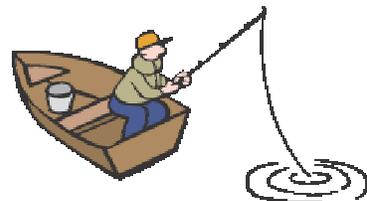

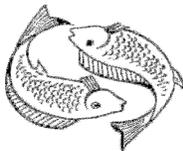

What if we cast our nets off the other side of the boat? What if we row out just a little bit further from shore? It can’t hurt to try. We just might be surprised at how successful we are at introducing people to Jesus.

You didn’t think this was about learning how to fish for trout did you? This is about learning more effective ways to share the message of salvation.

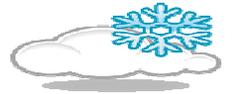

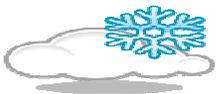

Please continue to keep Woodlawn United Methodist Church in your prayers as we cast our nets new directions so we can offer Jesus’ forgiveness and love to as many people as possible, all for the glory of God.

Serving Christ Together

*Pastor John*
